Pricing

Bartenders: \$10.00 per hour minimum. 3 bartenders, min 8 hours

- This includes travel time to and from event and unloading after event.
- If the party requires the bartender to wear a tie or blue jeans, we do it your way; it's your party. Our bartenders are always professional!

Setup and delivery varies depending on location: starting at **\$450.00**.

Below you will find a list of just some of the alcohol, wine and beer that we can serve. Once we know what you are serving and how many people will be attending, we can give you an estimated cost on your party! **Notice:** Deposit must be made to secure your date!

Deposit

- Deposit required to book event: **\$450.00** - this is non refundable if the event is cancelled, but otherwise will be credited to the final bill!
- A further deposit is also required 2 weeks before the event: **90%** of estimated amount.

Example estimated amount: \$2000.00 = \$450.00 dep. & \$1350.00 = \$1800.00 before wedding. This applies to the final bill. Balance is due the Monday after the party or wedding. If paying by credit card: Add 4% to the total bill.

If anything else is wanted we will quote upon request. The only change in price is if the price of beer or alcohol increases between now and the event! Prices can change on items since some weddings are booked a year in advance and in that time some items go up in price. **Remember: You only pay for what you use!** All excess is returned to stock.
